"Spouse and/or Significant Other are welcome." Last year our breakfast was held on October 1, and our attendance for the breakfast was 45 classmates and guests.

*Once again, we're planning a Chinese Auction at our breakfast and if you would like to participate and bring a craft, basket, or whatever . . . please let Judy Taylor Willow know when sending in your reply/payment. Proceeds help pay for class expenses (stamps, flyers, website and donations/flowers for the loss of a classmate).*

Also, transportation will be provided to and from Williamsport and/or Penn Valley Airport for those classmates wishing to fly in for the day. Please let Judy Willow know your arrival and departure times so we can pick you up in one our limousines. (Limousine Service provided by Terry Willow and Company).

Sorry we missed you, if you were unable to attend our 50 year class reunion. There were 48 classmates who attended and a grand total of 87 altogether. Each classmate who attended received a special gift bag that included a "DVD" of our classmate memorial, a tribute to classmates who served in the military, a photo album showcasing our kindergarten years through graduation and a special tour of Mifflinburg in the 60's versus present day. The beautiful art work for the jacket cover of the DVD depicting memories of our past was designed by fellow classmate Jim Shirk. This DVD will be available at our breakfast meeting for those who were unable to attend the class reunion.

If you are planning on updating your email / snail mail address, please send your new address to Bonnie Boyer Stahl so she can keep you posted of future happenings, i.e. reunion, classmate announcements, class breakfast and news of Mifflinburg. Email addresses are not shared with anyone and emails are sent "blind copy only." Please send your updated email address to Bonnie at: [Miffclass1966@hotmail.com](mailto:Miffclass1966@hotmail.com)

See you all June 3 !!
